

DI02 说明书

材质:157g双铜

规格:70×105mm

SAFETY TIPS

1. Before you start using the product, please read the entire manual carefully. The manual must be stored in an easily accessible place to anyone at all times.
2. Do not use the product when special attention is required (e.g. when driving a car or performing works).
3. Keep the device and its accessories out of reach of children and pets.
4. Do not expose the product to high and low temperatures (suggested working temperature: -10°C to 45°C).
5. Make sure the device does not contact water. Damage arising from wrong use is not subject to complaint terms.
