Have you heard these questions?

Check how to surprise your customer.

\$ It's too expensive..
 Look at what you're getting for this price. Check this description - now compare it with other models in the same price range.

⚡ The battery probably runs out quickly..
 Not at all! Look - the O-100 lasts up to 15 days! The E-100 and O-150 go a full week without charging!

? I don't know this brand..
 Titmo is a new brand that's gaining popularity! That's why the prices are so competitive.

🔧 And what about service?
 Warranty and service. Titmo means reliability!

🗣️ I don't speak English..
 Titmo supports English as well as German, French, Spanish, Italian, Dutch, Polish, Hungarian, Czech, Slovak, Bulgarian, Croatian, Greek, Slovenian and Romanian.
